About MADSS: Creating Community

An affiliate of the National Down Syndrome Society, the National Down Syndrome Congress, and Down Syndrome Affiliates in Action, the Madison Area Down Syndrome Society is a member-driven organization seeking to serve the needs of the people in our community who live, work and succeed with Down syndrome every day. MADSS operates almost entirely with the help of personal donations.

Interested in Helping MADSS fulfill its wishlist?

MADSS is seeking a few things to help us help all of our members to an even greater degree.

We are looking for:

- Storage space (humidity controlled)
- Gifts for new babies (new blankets, onsies, diapers, small toys - nothing that uses batteries, please!)
- Volunteers to assist with planning activities and special events

If able to contribute to any of the above please contact info@madss.org.

Most importantly, thank you for giving in your time, talent, and donations.
